

# 5 Minute Steps Around the Clock Explained

The diagram shows an analog clock face with numbers 1 through 12. The numbers 1, 2, 4, 5, 7, 8, 10, and 11 are circled in red. Labels in red text are placed around the clock: "5 minutes to" at 11, "5 minutes past" at 1, "10 minutes to" at 10, "10 minutes past" at 2, "20 minutes to" at 8, "20 minutes past" at 4, "25 minutes to" at 7, and "25 minutes past" at 5.

When the long minute hand points to 7, 8, 9, 10 or 11, it is going 'to' the next hour.

When the long minute hand points to 1, 2, 3, 4, 5 or 6 it is going 'past' the hour.
