**Logic**

*Game:*  
**Lo Shu  
Magic Square**

*Time allowed:*  
**3 minutes**

# China Logic

## Lo Shu Magic Square

Time allowed - 3 minutes

Arrange the 9 squares onto the grid  
so that each line of three adds up to  
the same number of dots in all  
directions

# China - Logic

## Lo Shu Magic Square – 3 minutes

**Mount the instruction sheet with the 'clue' underneath it on one piece of card.**

**Cut out the 7 squares printed on the 2 A4 sheets and mount on individual cards.**

**Set the base board out as shown and enlarge to A3.**

**Attach sticky backed Velcro to the board and playing pieces.**

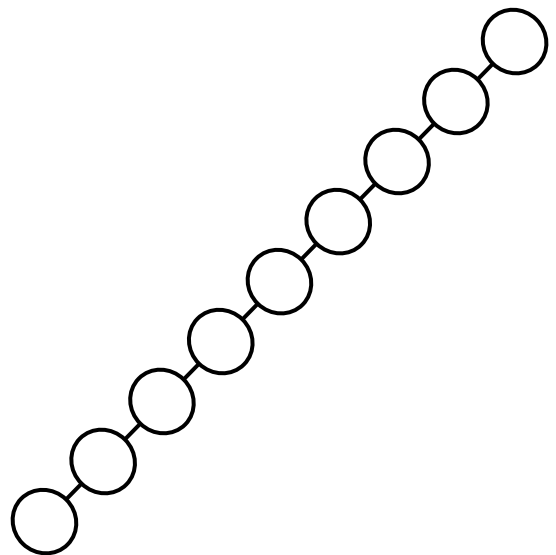

# Lo Shu Magic Square

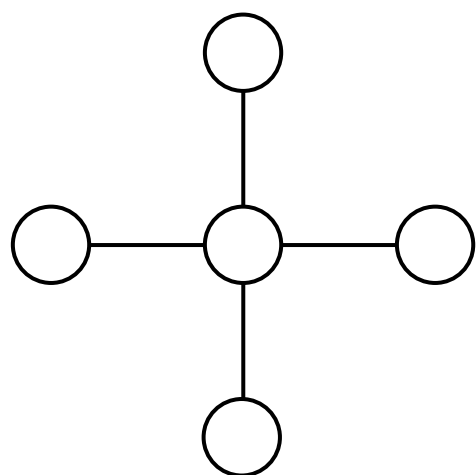

Arrange the 9 squares onto the grid so that each line of three adds up to the same number of dots in all directions

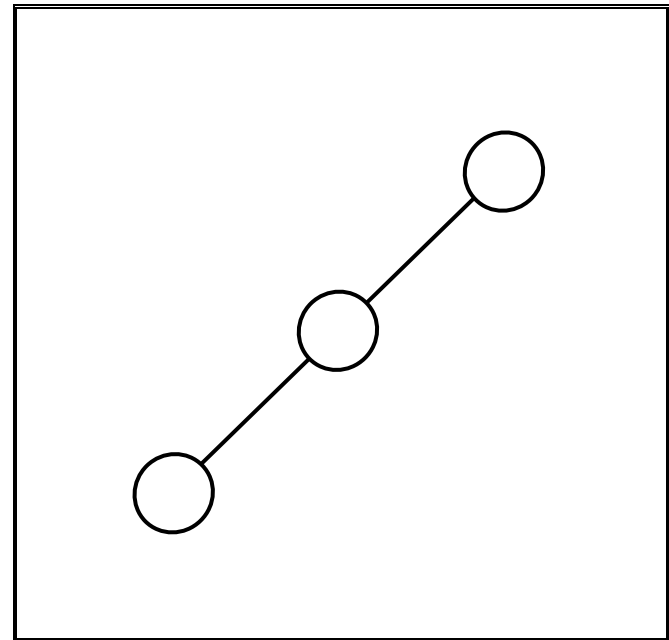

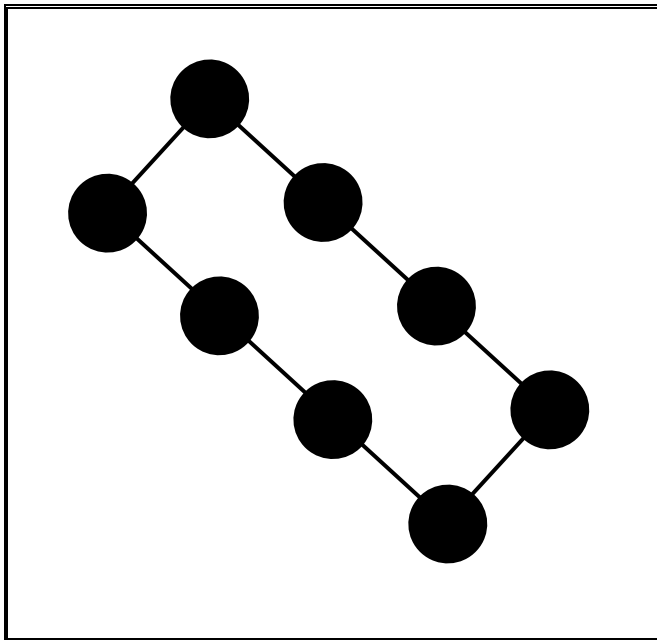

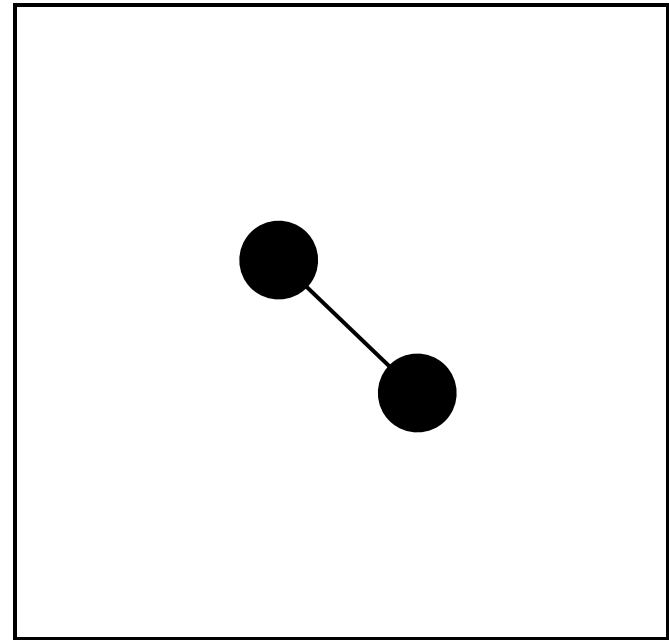

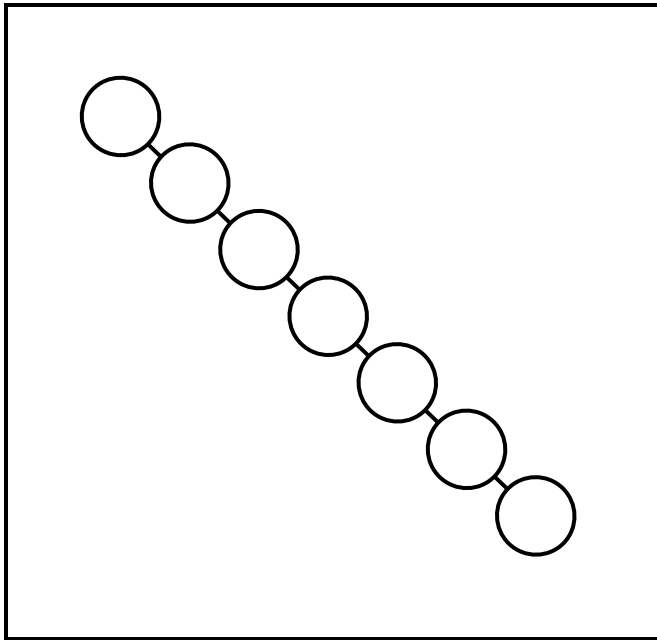

*CLUE:*  
*The magic number is 15*

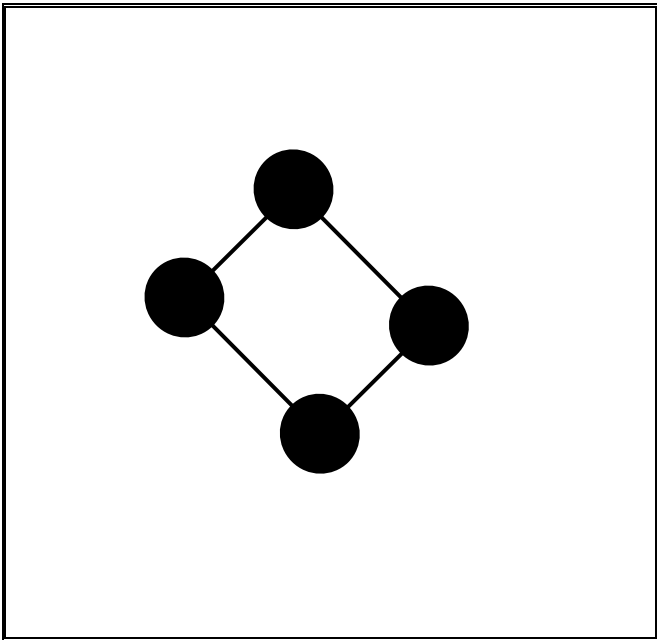

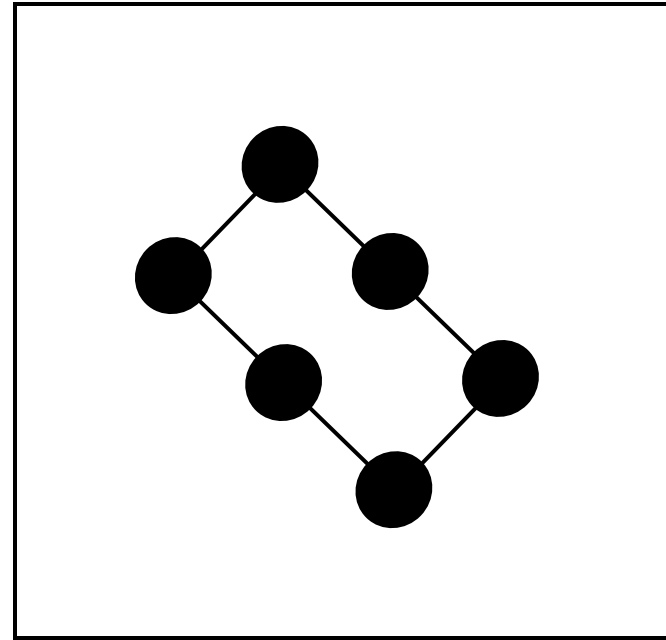

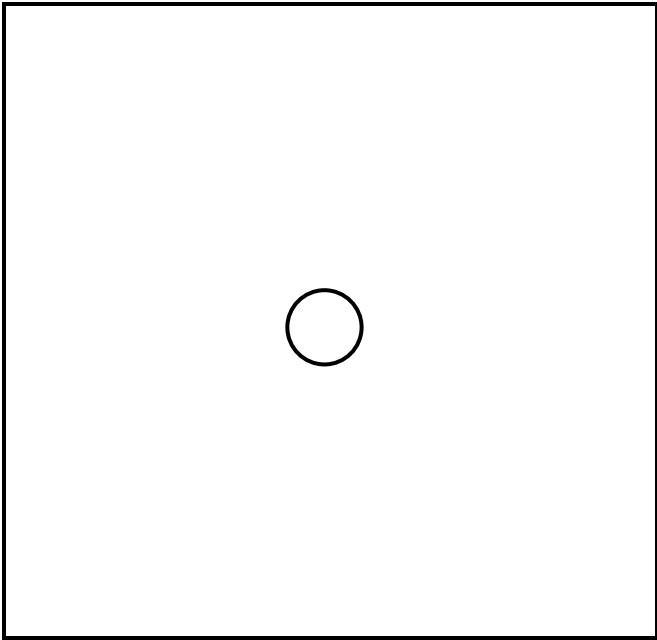

# Lo Shu Magic Square

Arrange the 9  
squares onto  
the grid so
