## Tidying The Kitchen

### Provide

*A selection of odd cups, mugs, saucers, plates and jugs etc.*

*2 or 3 shelves with all the objects 'shadowed'*

### Instructions

Get some toy cups, mugs, saucers, plates, pots and pans etc. On coloured paper draw a silhouette of each object and stick each one to the back wall of your shelves (see picture).

Jumble the plates and cups in front of the shelves so each object can be matched to each 'shadow'.
