**Hanging Out  
The Washing**

# **At Home Number**

## **Hanging Out The Washing**

**Also Needed:**

**2 Washing Lines  
Set of pegs**

**Friends living at house number 7 and house number 11 have got their washing muddled up. Peg their washing on their lines so that each line's washing adds up to its house number.**

# At Home Number

## Hanging Out The Washing

Friends living at house number 7 and  
house number 11 have got their  
washing muddled up.

Peg their washing on their lines so that  
each line's washing adds up to its  
house number

## Hanging Out The Washing

### Provide

*2 washing lines*

*A set of pegs*

*Small clothes with numbers drawn, stitched or pinned on*

### Instructions

Make some small clothes either out of cloth or paper, (like the ones shown), with numbers 1-6 on them so each garment has a number .

Hang up 2 washing lines and lay out the clothes with a tub of pegs.

*‘Friends living at house number 7 and house number 11 have got their washing muddled up. Peg their washing on their lines so that each line’s washing adds up to its house number’*
