

Fast Food Menu - Money Problems.

You have a new job as an assistant in a fast food restaurant, it is very busy. Can you help the customers by asking the questions below?

I would like a nice bottle of coke, how much is that please?

If I give you £2.00 how much change will I get?

I am feeling very rich, what is the most expensive thing that you have on your menu?

Must be quick, lots to do. Can I have a personal 'cheese and tomato' pizza? If I want a small 'cheese and tomato' how much does that cost?

Hi, I have £3.00 , what starters can I afford?

Could I please have a dip to go with my pizza. Which coins do I need to pay with,? Can you show me by circling below.

- 100 p = £1.00
- 50 X 2p = £1.00
- 20 X 5p = £1.00
- 10 X 10p = £1.00
- 2 X 50p = £1.00
