

Instructions: Cut these squares up and hide them around the room, ask children to find them and to draw what they find carefully on their sheet. Great to do after watching the Indiana Jones Roman Numeral clip on www.numeracyshed.com.

I	II	III	IV	V	VI
VII	VIII	IX	XI	XII	XIII
XIV	XV	XVI	XVII	XVIII	XIX
XX	XXX	XL	L	C	M

Help Indiana Jones by finding Roman Numerals hidden around the room. Match the Roman Numeral to the correct number and carefully draw the pattern—What do you discover?

1	2	3	4	5	6
7	8	9	11	12	13
14	15	16	17	18	19
20	30	40	50	100	1000

ROMAN NUMERALS

- I = one
- V = five
- X = ten
- L = fifty
- C = hundred
- D = five hundred
- M = thousand

HEY! SOLVED! WHAT TIME IS IT?

OK TO GO
