Lego Addition.

The image displays seven rows of Lego bricks used to represent addition. Each row consists of a sum of bricks followed by an equals sign and a single bar representing the total.

- Row 1: Two orange 2x2 bricks + one blue 2x2 brick = one bar.
- Row 2: One blue 1x4 brick + one green 2x2 brick = one bar.
- Row 3: One red 2x2 brick + two yellow 2x2 bricks = one bar.
- Row 4: One green 2x2 brick + one orange 2x2 brick = one bar.
- Row 5: One blue 1x4 brick + one yellow 2x2 brick = one bar.
- Row 6: One green 2x2 brick + one green 1x2 brick + one red 2x2 brick = one bar.
- Row 7: One red 1x2 brick + one green 2x2 brick + one orange 2x2 brick = one bar.
