Ulse any operations to make 24 in as many different ways as possible, using the random numbers in the grid.

Scoring can be done as appropriate to the group ability,
eg; 1 point for 24 's
2 points for using all four operations
5 points for using square or square root
10 points for using all the numbers.

POS S I BLE $\mathcal{E X T E N S I O \mathcal { N } : ~}$

## ORAL AND MENTALS TARIERS

| YEAR: $\quad 7$ Autumn and Summer <br> Terms <br> 8 Autumn Term <br> 9 Autumn and Summer Terms | $\mathcal{A T} \mathcal{T A} \mathcal{N} \mathfrak{M E N} \mathcal{T} \mathcal{T A R G E T}: \mathcal{A T} 2$ TOPIC: Fractions, decimals, percentages, ratios and proportion |
