

Compare and Order Unit Fractions

First, draw arrows to label the unit fractions in the picture:

$\frac{1}{2}$	$\frac{1}{4}$	$\frac{1}{3}$	$\frac{1}{6}$	$\frac{1}{5}$
---------------	---------------	---------------	---------------	---------------

Next, place them in order from largest to smallest.

largest

smallest

What other unit fractions can you create?
Try making a museum to display them.
