

# DIRT

Can you check that your answers are correct by using another method? Can you use the inverse, or a multiplication table or maths mat to help you?

So you think you finished huh! Now go back and check the following...

Are your numbers correctly formed and round the right way?

## The MUPPET SHOW

Have you used a ruler when drawing any lines?

Have you corrected any mistakes and/or responded to marking? Have you shown working out of a problem?

Have you clearly explained what you have done, would a stranger understand it?
