

There are ten digits in our number system:

1, 2, 3, 4, 5, 6, 7, 8, 9, and 0.

There are seven basic number symbols in Roman numerals:

I, **V**, **X**, **L**, **C**, **D**, and **M**.

In Roman numerals,

I = 1

C = 100

V = 5

D = 500

X = 10

M = 1,000

L = 50

In Roman numerals, there is no symbol for zero.
